

The Natural Advantage

All-In-One Joint Complex Tablets

THOMPSON'S | 787

- Comprehensive triple action formula that reduces the need for multiple product use by providing symptom support for all three key areas of joint health
- Contains scientifically supported ingredients that work synergistically to provide optimal joint health support

BENEFITS

All-In-One Joint Complex provides a unique formula with turmeric and glucosamine to provide support in three ways:

1. Supports normal function and mobility in stiff, worn, damaged or ageing joints
2. Supports comfort of joint movement
3. Supports the body's natural cartilage repair process
